

Application: Public Building

Location: West Thurrock, Essex

System: Modular Ramp System

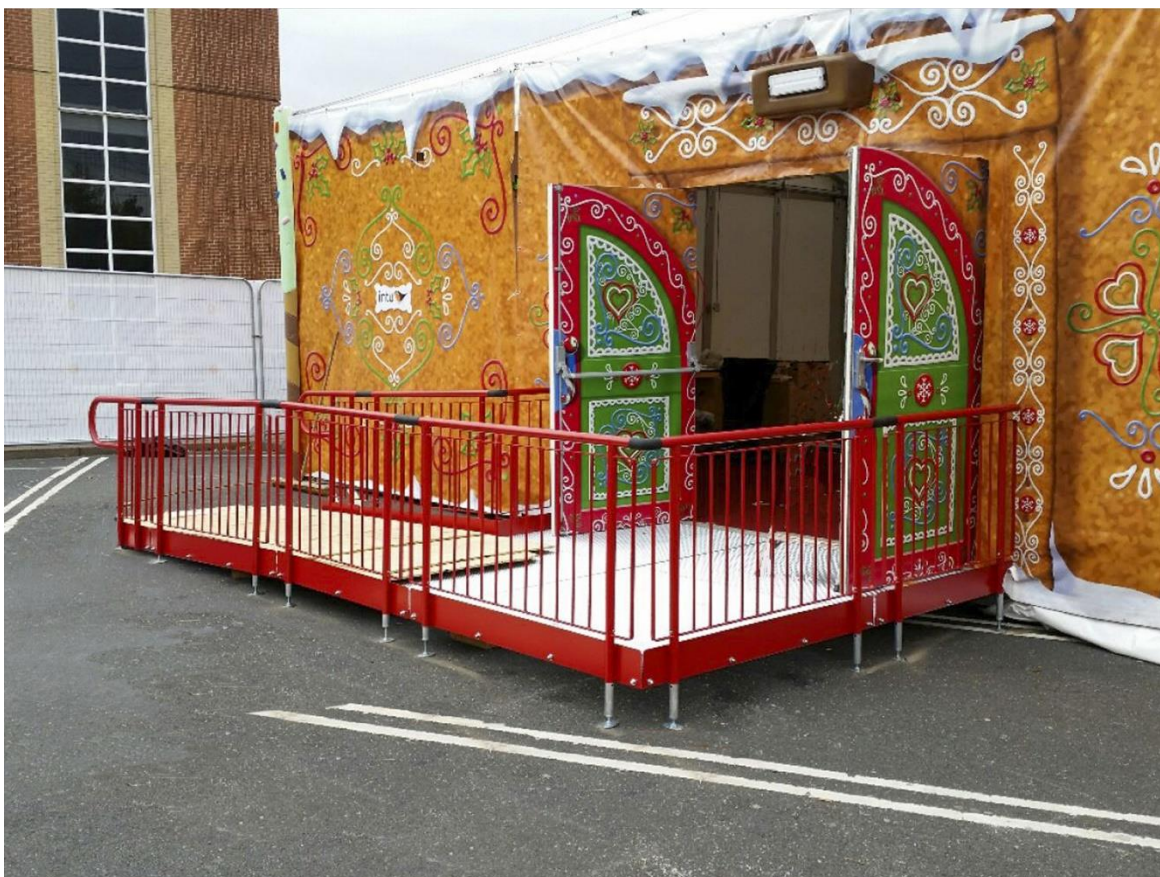

Service Package: Ramp Removal

CASE STUDY: Lakeside Shopping Centre Christmas Grotto

BACKGROUND: During the festive holidays, modular ramps were in place to facilitate access for shoppers visiting the Christmas grotto.

REQUIREMENT & END RESULT: The car park needed an immediate return to its regular use, prompting the swift removal of the access systems.

Local Rapid Ramp installers efficiently dismantled all components within an impressive two-day turnaround time.
